General Manager Contract Review

DEL PASO MANOR WATER DISTRICT

BOARD MEETING

DATE: 02/04/2025

SUBJECT: General Manager Contract Review

STAFF CONTACT:

Adam Coyan, General Manager

BACKGROUND:

Termination Without Good Cause Section 5.3 is typically only exercised when the General Manager has done nothing to violate the contract, and the board would like to end the contract early, typically for not exercising the duties of the office. This is not what is being discussed. I have done everything that the board has asked and based upon my last performance review; the board has been happy with my performance.

I accepted the position knowing what it entailed, having worked for DPMWD before. I knew that I could satisfy the obligations of the position and had very little concerns of being terminated without good cause. At this time, there were very few indications of a consolidation. I am asking that the severance be increased. The consolidation was unforeseen and not dependent upon my performance; I ask that I not be penalized for events that were outside of my control.

Currently with consolidation with my contract as is I get nothing. Further, because I am a contract employee I do not get a job at SSWD, but only a contract position. There is no language in Resolution No. 24-1203 section 4(e) that specifies what my pay would be, and there would be no benefits or retirement associated with this contract. I am asking for six months' severance to allow me the opportunity to find a full-time position with benefits that is equivalent to the position I am currently in.

Take into consideration the process from application with DPMWD to first day of work took three months this time, and that process was streamlined because I had worked here before. The first time with DPMWD took close to five months. When I took the position with GDPUD from time of application to first day of work was over six months. Also, consider that a position needs to advertise a vacancy prior to an application is submitted.

The Del Paso Manor Water District ("District") appointed Adam Coyan as the District's General Manager in June of 2023. The District and General Manager Coyan entered an Employment Agreement that became effective on July 3, 2023. In January of 2024, the District Board of Directors conducted a six-month performance evaluation of the General Manager and concluded that Mr. Coyan was performing his job duties well.

We have successfully completed a Prop 218 rate increase. We have made significant progress on pipeline replacement projects and have executed contracts for a generator at Well 9.

On April 10, 2024, LAFCO issued formal notice of intent for dissolution of DPMWD.

On May 1, 2024, Sacramento LAFCo passed a resolution of dissolution with a twelve-month remediation period.

On May 22, 2024, DPMWD reinitiated consolidation discussions with SSWD.

The District went through a very contentious election and as of December 23, 2025 the District submitted an application to LAFCo with a Plan for Services.

There are two items before the board:

- 1. Include language in Section 5.3 Termination Without Good Cause of my contract to include consolidation.
- 2. Increase the amount of Section 5.3 Termination Without Good Cause to the industry standard from three months to six months.

<u>RECOMMENDATION</u>:

Vote on both items,

ATTACHMENTS:

Exhibit A - Employment Agreement with Adam Coyan Effective July 3, 2023, with First Amendment February 6, 2024 Exhibit B- Proposed Second Amendment to Employment Agreement with Adam Coyan Exhibit C- Resolution No. 24-1203 Exhibit D- Review of General Manager's Contracts

ENVIRONMENTAL IMPACT:

This item is an update to an existing structure and does not need a CEQA review.

FINANCIAL IMPACT:

This item would not impact the District's current budget.

WHEREAS, SSWD and Del Paso Manor Water District ("DPMWD") have conducted an evaluation of the feasibility of combining SSWD and DPMWD through a process that has involved Joint Board meetings that have been open to the public, mailing of information on the proposed combination to each customer of SSWD and DPMWD to present information on the reorganization and receive public comment on it, responding in writing to written questions received from the public concerning the reorganization, and meetings with interested parties and the respective employees of SSWD and DPMWD to discuss the potential reorganization;

WHEREAS, on May 2, 2024, the Sacramento County Local Agency Formation Commission ("LAFCo") approved a resolution of intent to initiate dissolution of DPMWD with a remediation period of twelve-months to allow the district time to address the deficiencies that were highlighted in the Sacramento Grand Jury and Municipal Service Review – Addendum reports, or to develop other plans; and

WHEREAS, SSWD has negotiated and reached a decision with the DPMWD, which was formed and is operating under the County Water District Law (Water Code sections 30000 and following), to reorganize the two districts as provided in the Cortese-Knox-Hertzberg Local Government Reorganization Act of 2000 (California Government Code sections 56000 and following; the "LAFCo Law") by dissolving DPMWD and transferring its assets, liabilities, and obligations to SSWD on terms and conditions agreed to by the Boards of Directors of the two districts.

NOW, THEREFORE, BE IT RESOLVED by the Board of Directors of DPMWD as follows:

- 1. The foregoing recitals are true, represent the findings and independent judgment of the DPMWD Board of Directors, and are hereby incorporated by reference.
- 2. Application is hereby made under the LAFCo Law to LAFCo for a reorganization encompassing the annexation by SSWD of DPMWD and its service area and the dissolution of DPMWD and transfer of its assets, liabilities, rights, and obligations to SSWD.

- 3. The President of the DPMWD Board of Directors and the General Manager/Secretary of the District are hereby authorized and directed to complete and execute all documents required in connection with this application, and to do and perform every action necessary to carry out the purposes of this resolution.
- 4. This application is expressly made subject to the following special terms and conditions, which DPMWD requests that LAFCo include within the order approving this reorganization application, the terms and conditions specified in subsections (c) and (d) being made under subdivisions (c), (h), (i), (k), (l), (m), (p), (s)(1), (t), and (v) of Government Code section 56886:
 - a. The effective date of the reorganization shall be following official certification by LAFCo and recording of a Certificate of Completion, or as soon as possible thereafter upon SSWD and DPMWD satisfying any conditions of approval.
 - b. Upon and after the reorganization, the following conditions shall apply to and bind the Board of Directors of the reorganized district:
 - (1) the following contracts, debts and contingent liabilities of the respective districts, although to be assigned and transferred to SSWD shall, nonetheless, continue to be the exclusive responsibility of the ratepayers within the service areas of SSWD and DPMWD, respectively, until paid in full; provided, however, that such debts and liabilities to DPMWD ratepayers shall only consist of financial obligations and not extend to performance of contractual obligations:

(A) all bonds, certificates of participation and similar indebtedness, including any refunding thereof;

(B) any other debt respecting real estate (including office buildings and other structures, pump stations and well sites), exclusive of such other debt respecting transmission and distribution system facilities, easements and rights-of-way;

(C) liability respecting any claims that have not been asserted in writing as of the effective date of the reorganization; and

(D) any contracts, debts, or liabilities, contingent or otherwise, specified in essentially parallel resolutions adopted by the Boards of Directors of both districts prior to the effective date of the reorganization.

- (2) the following assets of the respective districts, although to be assigned and transferred to SSWD shall, nonetheless to be used for the exclusive benefit of the ratepayers within the respective service areas of SSWD and DPMWD until the time that the SSWD Board terminates the collection of the assessment:
 - (A) the equity in real estate (including office buildings and other structures, pump stations and well sites);

- (B) easements and rights-of-way held by the respective districts as of the effective date of the reorganization; and
- (C) all cash and investments, water sales receivable, grant and loan funds receivable, and accrued interest receivable attributed to each respective district;
- (D) Transmission and distribution piping and facilities.
- c. Upon the reorganization and for the period during which the assessment is collected and service area of DPMWD is operated as a separate water system following the effective date of the reorganization, the following conditions shall apply to and bind the Board of Directors of SSWD:
 - all contracts, debts, and liabilities of the respective districts, including contingent liabilities, other than those identified in or pursuant to section 4(b), although to be assigned and transferred to the SSWD shall, nonetheless, continue to be the exclusive responsibility of the ratepayers within the respective service areas of SSWD and DPMWD;
 - (2) previously authorized charges, fees, assessments and taxes of SSWD and DPMWD, which have been determined by the Boards of Directors of each respective district to properly allocate the costs incurred among its ratepayers, shall continue to be applied within the affected service area of each district, and any changes made to such charges, fees, assessments and taxes shall be governed by the same principles previously determined by the Board of Directors of each respective district, unless the Board of Directors of the SSWD specifically determines that different principles shall apply;
 - (3) the funds derived from the SSWD and the DPMWD service areas shall be accounted for separately, so that the ratepayers benefitting from the respective water system bear the cost of replacement, improvement, and bond debt service of that water system, provided that, the SSWD Board may continue imposing and collecting a separate and different debt service charge in DPMWD's service area for the time required to collect sufficient funds for repayment of any assessment or other indebtedness incurred for capital improvements in service area of DPMWD;
 - (4) the territory within DPMWD as of the effective date of the consolidation shall be designated the "Del Paso Manor Service Area" following the reorganization and shall be operated as a separate water system for ratesetting, billing, and collection, and all financial accounting purposes until such time as the SSWD Board determines to terminate the collection of the assessment and to consolidate the Del Paso Manor Service Area into the SSWD water system. Under no circumstances will Del Paso Manor Service Area ratepayers pay rates, fees, or charges in excess of the proportionate cost

of water service provided to them in compliance with Proposition 218 and other applicable law.

- (5) the territory within SSWD as of the effective date of the reorganization, which is operated as a unified water system, shall be designated the "Sacramento Suburban Service Area" following the reorganization and shall continue to be operated in the same manner as prior to completion of the reorganization; and
- (6) the Board of Directors of SSWD shall determine from time-to-time which funds derived from the operation of the Del Paso Manor Service Area water system and the Sacramento Suburban Service Area water system shall be used to pay the common administrative costs of operating the entire district.
- (7) Unless required by law, the Del Paso Manor Service Area wells will not be fluoridated.
- d. Subject to the foregoing, all assets, revenues, funds on deposit, rights and liabilities under contracts, liabilities for payment of principal and interest on contractual obligations for real property, furnishings and equipment, operating expenses, supplies, licenses and permits, and any contingent liabilities for existing civil litigation shall be assigned and transferred, and accrue to SSWD.
- e. To ensure the transfer of the institutional knowledge of DPMWD retained by its existing staff, as of the effective date of the reorganization, existing non-contract DPMWD staff shall become employees of the combined district and be retained by SSWD. The salaries of these employees shall remain the same as a result of the reorganization or paid at the rate of the comparable SSWD position, whichever is greater. They shall be eligible for cost of living and merit increases the same as all other SSWD employees. These employees will also be entitled to SSWD's existing benefit programs. As of the effective date of the reorganization, the General Manager of DPMWD will be retained by the SSWD Board as a transition employee or contractor for a minimum term of six months .
- f. As of the effective date of the reorganization, the current Board of Directors of the DPMWD will resign their positions as Board Members and become the Del Paso Manor Advisory Committee ("Committee") to the SSWD Board of Directors. The Committee may consist of five members, and shall be responsible for reviewing proposals and making recommendations to the SSWD Board for capital improvement projects within the Del Paso Manor Service Area. The Committee also shall be responsible for outreach to ratepayers within the Del Paso Manor Service Area and for communicating that community input to the SSWD Board. To facilitate its functions, the Committee shall adopt Bylaws and comply with all applicable provisions of the Ralph M. Brown Act. The Committee shall have the authority to appoint its members

when vacancies occur according to the Bylaws. The Committee will have a limited duration of not less than three years and shall be terminated at a time determined in the SSWD Boards discretion in consultation with the Committee.

- g. The reorganized district shall retain the name Sacramento Suburban Water District and be governed by a five-member Board of Directors comprised of the incumbent Directors of SSWD sitting at the time that the reorganization is completed. The Board of the reorganized district shall maintain the same rotation of election to office by and from the voting divisions existing at completion of the reorganization. Notwithstanding the foregoing, the Board of the reorganized District shall, in consultation with the Committee, redistrict the reorganized District prior to the 2026 District Election to ensure that the five voting divisions comply with the requirements of the California Voting Rights Act while providing the greatest possible voice to the ratepayers of the Del Paso Manor Service Area.
- h. It is the intention of SSWD and DPMWD that the Del Paso Manor Service Area be operated as a separate service area such that these ratepayers fund any portion of improvements required within the Del Paso Manor Service Area required to address the deficiencies identified in DPMWD's water system that are not funded through grants. Any special taxes, fees, charges, or assessments imposed shall be in conformance with all applicable laws, including but not limited to, Proposition 218. The formation of any financing mechanism or issuance of any debt shall be done in conformance with applicable laws. If a financing mechanism and/or rate increase is approved, issued, and/or levied on Del Paso Manor Service Area ratepayers, the special taxes, fees, charges, or assessments will only be levied until the Del Paso Manor Service Area water system has been sufficiently rehabilitated and replaced to the same standard as SSWD's water system. At that time, the Board of Directors shall terminate the levying of the special taxes, fees, charges, or assessments and instead collect funds for ongoing operations, maintenance, and capital improvement costs through regular water service rates and charges, and in the same manner and amount as all other SSWD ratepayers.
- i. Develop a Plan for Services approved by the SSWD and DPMWD Boards for submittal and approval by LAFCo that will govern how SSWD will operate the Del Paso Manor Service Area to ensure that existing SSWD ratepayers will not be required to in any way subsize the capital improvement and operations and maintenance costs of the Del Paso Manor Service Area and to avoid any reduction in the level of service afforded existing SSWD ratepayers resulting from the addition of the Del Paso Manor Service Area.
- j. Adoption of this resolution of application shall be subject to the adoption of a resolution in substantially the same form by the Board of Directors of SSWD.

k. This Resolution shall take effect as of December 11, 2024.

PASSED AND ADOPTED by the Board of Directors of the Del Paso Manor Water District on the 11th day of December, 2024, by the following vote:

BOARD MEETING

DATE: 02/04/2025

AGENDA ITEM NO. 9.C

SUBJECT: Discuss and Provide Direction on Advisory Committee Functions and Parameters for Reorganization with SSWD

STAFF CONTACT:

Mona G. Ebrahimi, General Counsel

BACKGROUND:

At the December 11, 2024 joint meeting of the Del Paso Manor Water District (DPMWD) and Sacramento Suburban Water District (SSWD), the two boards considered and approved a resolution to submit to the Sacramento Local Agency Formation Commission (LAFCO) for reorganization.

The resolution reflects the intent of both boards to create an advisory committee that provides recommendations to SSWD upon reorganization. The resolution sets forth the following parameters:

- Upon reorganization, the then-existing DPMWD directors would become the members of the advisory committee;
- The advisory committee may consist of 5 members total;
- The committee will be responsible for reviewing proposals and making recommendations to the SSWD board for capital improvement projects within the Del Paso Manor Service Area;
- The committee will be responsible for outreach to ratepayers within the service area;
- The committee will have the right to appoint new members if there are vacancies;
- The term of the committee will be for not less than 3 years; and,
- The committee will be subject to the Brown Act.

The resolution also states that, in order to facilitate its functions, that the committee adopt bylaws for governance. The DPMWD board of directors is asked to provide input in what it would like to be included in the bylaws.

A draft of the bylaws (or terms that are important to the DPMWD board) will be shared with SSWD during a future joint meeting. Some aspects of the bylaws for consideration, along with recommendations are as follows:

• The posting of all notices for meetings shall be in accordance with the Brown Act. Notices will be posted in accessible locations, and on the SSWD webpage.

- All meetings will be open to the public.
- Meetings of the meetings shall be maintained, approved at the subsequent meeting, and recorded.
- Public comments on each agenda item will be limited to _____ minutes.
- All committee members shall file a Form 700 upon assuming "office" and shall be subject to the conflict of interest provisions set forth in the Political Reform Act.
- Regular meetings will be established by resolution of the committee.

FINANCIAL IMPACT:

There will be nominal costs associated with noticing meetings and staffing.

<u>RECOMMENDATION</u>:
